

## Fall 2023 Z80/SC6 agenda

11/13/23

I would like to propose the following agenda of items to discuss. We have three standards up for review and these are the basis for the agenda. If there are other items to discuss we will add them.

- Three standards are up for review this year
  - Z80.10 Tonometers
  - Z80.17 Focimeter
  - Z80.23 Corneal Topography and Tomography Systems
- Other items for discussion
